PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 08/11/2014 and 08/21/2014.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

3

Special Condition # 18: You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: On September 2, 2014, Daniel McFadden appeared before the Honorable John T. Rodgers, U.S. Magistrate Judge, for an initial appearance regarding alleged violations of his supervised release, where the government was seeking detention. To assist with determining detention or release, the Court ordered Mr. McFadden to immediately provide a urine sample in the U.S. Probation Office and that it be screened for illicit substances. Mr. McFadden was unable to provide a sample and eventually admitted to using methamphetamine on September 1, 2014. Consequently, the Court ordered Mr. McFadden to be detained pending his supervised release revocation hearing that is scheduled for September 25, 2014.
